ABOUT PDAC

The Prospectors & Developers Association of Canada (PDAC) is the leading voice of the mineral exploration and development community—an industry that supports 665,000 people in direct and indirect employment, and contributes \$125 billion to Canada's GDP every year. Representing over 7,000 members around the world, PDAC's work centres on supporting a competitive, responsible and sustainable mineral sector. Please visit www.pdac.ca.

		Opening Ceremonies
		Pub Night Finale
		Student & Early Career Program
		The Network

GREEN EXHIBITS DAY PASS*

*Valid on specified days

Corporate Presentation Forum for Investors	Exhibits: Core Shack, Investors Exchange, Indigenous Artists, PDAC-SEG Student Minerals Colloquium, Prospectors Tent, Trade Show and Trade Show North	Investment Leaders Forum (formerly Letter Writer Presentations for Investors)
		Mining for Diversity Event
		Opening Ceremonies

WEAR YOUR PASS AT ALL TIMES!

You will not be permitted entry past Level 600 security or allowed entry into our events at the Fairmont Royal York Hotel without a pass. All pass categories may also attend non-ticketed Presentation & Reception Rooms, including Mining Country Sponsor Days.

By entering the event premises, you consent to photography and its release, publication or reproduction to be used for news, promotional purposes, advertising, inclusion on websites, social media, or any other purpose by PDAC and its partners. Please speak with the photographers and filmmakers directly if you do not wish to be photographed or filmed. Photography is supplied by www.indigoevents.ca.

Your pass will be scanned during the convention and contact details will be collected for PDAC marketing purposes.

Going Further Together

We're a leading Canadian critical minerals producer, committed to responsibly providing materials to build a better future. Our expertise, technological advancements and commitment to sustainability have made us a partner of choice for exploration companies around the world.

HEALTH AND SAFETY

EMERGENCIES

In the case of a fire alarm, the MTCC operates a two-phase alarm system:

Stage 1: Slow beeping sound, alert signal

- Remain calm
- If the alarm is beeping slowly, this is a warning
- Do not evacuate the building at this stage
- Await instructions to be announced over the intercom (this will take approximately one minute) or speak to Security Staff

Stage 2: Fast beeping sound, evacuate signal

- Only evacuate the building if instructed to do so over the intercom or by Security Staff
- Leave the building via nearest exit or the closest emergency stairwell
- Fire exits are highlighted in yellow on the floor plans that can be found on Pages 12-14
- Do not use elevators
- If you encounter smoke in the stairway, use an alternate exit
- Once outside, stay clear of the building to permit emergency access
- Do not attempt to remove vehicles from parking garages or loading docks
- Do not return until declared safe by the Fire Official

Medical Emergency

In the event of a medical emergency:

- Dial 416 585 8160 or 8160 on any MTCC house phone
- MTCC Security will respond and assess the situation
- If required, the MTCC Nurse will be called to the scene by MTCC Security
- If required, MTCC Security will call ambulance

NURSE'S OFFICE

📍 South Building, Level 800,
North Building, outside Room 203C

FRIDAY-SATURDAY	8:00 am – 6:00 pm
SUNDAY	7:00 am – 5:30 pm
MONDAY-TUESDAY	9:00 am – 5:30 pm
WEDNESDAY	8:00 am – 8:00 pm

Staffed by Registered Nurses who are capable of responding to a variety of emergency situations, and can also administer over-the-counter and prescribed medications to attendees. Stations are stocked with AED defibrillators and may also be used for breastfeeding.

RESPIRATORY ILLNESS

The health, safety and well-being of all those participating in and attending the PDAC Convention is the top priority for hosting a successful event in 2024. To learn more about our approach to Health and Safety, please visit:

www.pdac.ca/convention/attendee-info/health-and-safety/respiratory-illness

ATTENDEE CONDUCT

PDAC is committed to providing a positive experience for all participants, and expects attendees to show respect and courtesy toward one another at all official PDAC Convention events.

We aim to provide a safe, inclusive environment. If you witness or feel that you are the subject of unacceptable behaviour, you may:

- File a report with security; or
- Report an incident using our confidential and anonymous reporting system. Reports can be filed through a secure website or using a dedicated hotline

For our policy and more information, including incident reporting, visit:

www.pdac.ca/convention/attendee-info/code-of-conduct

ACCESSIBILITY

PDAC 2024 is accessible! Visit our website to learn about what we're doing to make our programming accessible, or request an accessibility accommodation to meet your individual needs. The MTCC is a barrier-free, fully accessible environment that is close to accessible public transit.

www.pdac.ca/convention/attendee-info/accessibility

AMBASSADOR PROGRAM

Sponsored by

Look for Ambassadors dressed in gold T-shirts and caps. They will help get you where you need to go and answer your questions.

CLEAN ENERGY INITIATIVE

Sponsored by

As part of an initiative to move towards a more sustainable convention, PDAC will use Bullfrog Power—a clean energy solution. Bullfrog Power provides the ability to offset all greenhouse gas emissions created by our convention by purchasing renewable energy. Bullfrog ensures that for every kWh of electricity used, a kWh of pollution-free, natural, renewable source is put back into the grid on our behalf. Bullfrog Power will inject renewable electricity onto the regional grid to match the amount our event uses.

COAT CHECK

North Building, Level 100
South Building, Level 500, Room 501

SUNDAY

North Building | 7:00 am – 6:30 pm
South Building | 7:00 am – 6:00 pm

MONDAY

North Building | 7:00 am – 9:00 pm
South Building | 7:00 am – 6:00 pm

TUESDAY

North Building | 7:00 am – 9:00 pm
South Building | 7:00 am – 6:00 pm

WEDNESDAY

North Building | 7:00 am – 2:00 pm
South Building | 7:00 am – 1:00 pm

FREE HEADSHOT

South Building, Trade Show, Booth 1300

Sponsored by

Need an updated headshot? Take advantage of this service, right on the Trade Show floor. Your professional photo will be emailed to you in real time. Perfect for websites, social media, business cards and more.

FREE WI-FI

Sponsored by

Available throughout the MTCC, Friday – Wednesday (limited access in the exhibit halls)

Wi-Fi password: pdac2024

LOUNGES

INVESTMENT HUB LOUNGE

South Building, Investors Exchange, Booth 3321

Sponsored by

This new addition to the Investors Exchange show floor is located beside the theatre that will house the Investment Leaders Forum and CPFI presentations. Continue your investment conversations in this welcoming lounge.

LEASE BONUS LOUNGE

South Building, Investors Exchange, Booth 3207

Sponsored by

Lease Bonus Lounge is a great place to get off your feet and take a break!

RECHARGE HUB

South Building, outside Room 718

Sponsored by

Want to relax and recharge? Visit the Recharge Hub equipped with charging tables to charge your mobile device. A great location to unwind or meet with colleagues and peers.

STUDENT LOUNGE

North Building, Trade Show North, Booth 7702N

Sponsored by

The Student Lounge is a hub for exploration and development companies, products and services companies, and mining jurisdictions to connect with geology and mining students from around the world and seek out new business opportunities. Students will be encouraged to visit the lounge area dedicated to them between their regularly scheduled activities.

VIP LOUNGE

South Building, Room 605

Sponsored by

Only VIP All Access Pass holders have access to this private and exclusive lounge. While in the lounge, take advantage of:

- Exclusive access to the VIP Lounge (restricted to pass holders only) that includes daily continental breakfast, morning and afternoon coffee breaks with snacks, and attendants providing business services
- Five free semi-private meeting rooms for up to 10 people. Reservations required (non-VIP attendees permitted in the meeting rooms)

See the attendants to book beginning Sunday.

SUNDAY – TUESDAY | 8:00 am – 5:00 pm

WEDNESDAY | 8:00 am – 1:00 pm

Space is limited.

SUNDAY – TUESDAY | 7:00 am – 5:00 pm
WEDNESDAY | 7:00 am – 12:00 pm

SHOE SHINE STATION

South Building, Investors Exchange, Booth 2405

Sponsored by

Enjoy a complimentary shoe shine in between your business meetings.

SME BOOKSTORE

South Building, Level 800, Foyer

Discount prices for PDAC attendees! The Society for Mining, Metallurgy and Exploration (SME) is back with their bookstore. Take advantage of show pricing from the most prestigious book publisher in the industry. Several new books will be showcased. Come early! Supplies are limited.

SOUTH MEETING SPACE

South Building, Level 800, Room 803

Sponsored by

Looking for free meeting space? These semi-private meeting rooms are available for one-hour bookings per day, per attendee.

Visit website for booking links or visit the meeting room attendant onsite.

SUSTAINABILITY EFFORTS

PDAC takes pride in consistently improving its environmental stewardship. For PDAC 2024, we've elevated our commitment to sustainability, emphasizing both waste reduction and energy conservation.

www.pdac.ca/convention/attendee-info/guide-to-convention/convention-sustainability

WATER STATIONS

South Building, Exhibit Halls, Aisles 1400 and 3200
North Building, Trade Show North, Aisle 6100

Sponsored by

Fill up your water bottle or drink from the fountain at one of the three water stations.

PLACES TO EAT

SUNDAY – WEDNESDAY

For more details about the food offerings and hours of operation visit: www.pdac.ca/convention/places-to-eat
MTCC food vendors have a cashless payment system. Debit and credit cards will be the only form of payment available.

700 CAFÉ & LOUNGE

South Building, Level 700, Foyer

Sponsored by

Hot and cold beverages, including speciality coffee, sandwiches, pastries and prepackaged snacks. Small seating area for attendees.

FOOD PAVILION

South Building, Level 800, Hall D and Foyer

Sponsored by

Hot and cold beverages, sandwiches, pastries, prepackaged snacks, salads, crepes, sushi, pizza and grilled items. Large seating area for attendees.

SOUTH32 CAFÉ & LOUNGE

South Building, Level 800, Foyer

Sponsored by

Hot and cold beverages and prepackaged grab and go items. Seating area for attendees.

NORTH EATERY

North Building, Trade Show North
(South end of Hall B)

Sponsored by

Hot and cold beverages and prepackaged grab and go items. Seating area for attendees.

TOGETHER
WE'RE
MINING
BETTER

The business of mining is constantly changing and you're always on the lookout for new ways to mine better.

We continually look for ways to improve our offerings and provide better solutions for the mining industry— from quality machines and innovative technologies, to beyond-the-iron services and support solutions that leverage the broad expertise of our mining organization.

No matter the size, type or complexity of your operation, our goal is to help you optimize your equipment, people and overall operation. We appreciate the strong relationships we have with our customers and the industry as a whole. And we are grateful that you choose to partner with us in so many ways.

Partnering for a low-carbon future

For over 150 years, we have been finding better ways to provide the materials the world needs.

Across the Americas and around the world, we are helping to advance the low-carbon economy, responsibly.

Working with governments and communities, we are investing and building partnerships with those who share our ambition.

#FindingBetterWays

2024 MARY-CLAIRE WARD GEOSCIENCE AWARD WINNER

This year's recipient of the Mary-Claire Ward Geoscience Award is Ludovico Scorsolini, University of Waterloo.

Preservation of Taconic eclogites in Newfoundland's Baie Verte Peninsula indicates that parts of the Early Paleozoic Laurentian passive margin were buried to great depths during collision with an exotic arc in the Middle Ordovician.

The focus of Ludovico's research is to better understand the geological history and processes responsible for burial and exhumation of the Taconic eclogites and surrounding units through detailed structural, petrological and geochronological studies.

The award is administered by the Geological Association of Canada (GAC), the Prospectors & Developers Association of Canada (PDAC), the National Geological Surveys Committee, the Canadian Geological Foundation, and Watts, Griffis and McQuat Ltd.

Application details will be posted at www.pdac.ca and www.gac.ca on October 1, 2024.

THANK YOU FOR YOUR SUPPORT!

Mining Matters greatly appreciates the contributions from the minerals and aggregates industries, individuals, foundations, communities, corporations and governments. Your generosity supports all aspects of our program development and implementation.

Our mission is to educate young people to develop knowledge and awareness of Earth sciences, the minerals industry, and their roles in society. Since inception, Mining Matters has reached an estimated 860,000 teachers, students and members of the public across Canada with its hands-on resources and innovative teaching materials.

Precious Metals (\$100,000+)

Platinum (\$20,000 to \$99,999)

Gold (\$10,000 to \$19,999)

Silver (\$5,000 to \$9,999)

Every effort has been made to ensure the accuracy of the contributions received in fiscal 2022-2023. Please accept our apologies if an error or omission has been made and contact us in order to correct. See a complete list of all contributors at MiningMatters.ca. | Charitable Registration Number: 88775 6435 RR0001

Driving more productive, sustainable farming

The Woodsmith Project, our polyhalite fertiliser mine, is being developed in the North East of England. It will set new standards for sustainable mining while helping to boost food production and sustainable farming practices. At Anglo American, we're re-imagining mining to improve people's lives.

INDIGENOUS ARTISTS

📍 Trade Show North, Level 300, Booth 7207N

In 2023, PDAC launched the inaugural Indigenous Artists initiative aimed at showcasing work of incredible artists from around the country, increasing the presence of Indigenous vendors on the show floor. We look forward to continuing and growing the program for years to come!

www.pdac.ca/convention/exhibits/indigenous-artists

PROJECT ARROW

📍 Investors Exchange, Level 800, Booth 3315

The Automotive Parts Manufacturers' Association (APMA) of Canada launched the first, original, full-build, zero-emission concept vehicle named Project Arrow in 2023. An all-Canadian effort, it was designed, engineered and built through the joint efforts of our world-class automotive supply sector and post-secondary institutions.

Answering Prime Minister Trudeau's call for a Zero-Emissions future by 2050, Project Arrow brings together the best of the best of Canada's electric-drive, alternative-fuel, connected and autonomous and light-weight technology companies.

ROYAL ONTARIO MUSEUM

📍 Trade Show North, Level 300, Booth 6825N

Back by popular demand! The Royal Ontario Museum is the largest museum in Canada and has one of the world's most important geological collections.

From critical minerals to the Kirwin Collection, select samples of rocks, minerals, gems and meteorites will be featured in this booth. This is a can't miss attraction on the Trade Show North show floor.

THE NORTHERN ONTARIO MINING SHOWCASE (NOMS)

📍 Trade Show North, Level 300, Booth 6501N

NOMS is the largest pavilion at PDAC, featuring over 110 exhibitors and interactive displays showcasing innovative products and services to help plan, build, maintain and rehabilitate projects around the world! The NOMS pavilion also hosts a speaker series featuring presentation and panels on topics related to the growth and sustainability of the industry.

PROSPECTORS & DEVELOPERS ASSOCIATION OF CANADA | ASSOCIATION CANADIENNE DES PROSPECTEURS ET ENTREPRENEURS

A Journey of Exploration, Discovery and Meaningful Connections

Photo credit: Marc Gasparotto

Join today and embark on a path of professional growth, collaboration and engagement within our global community!

By becoming a PDAC Member, you'll have the opportunity to connect with more than 7,000 like-minded individuals from around the world. Individual and corporate members enjoy a range of valuable benefits, including:

- Discounted rates on convention exhibits, registration and short courses
- Government advocacy and stakeholder engagement
- Exclusive networking events
- Education and training opportunities
- Specially designed insurance programs
- Voting rights in board elections and Annual General Meeting
- Access to industry research, reports and toolkits
- Financial support for students to enhance learning, skill development and future career prospects

To learn more about the different membership types and fees, visit pdac.ca/members/membership

EXHIBITOR SPOTLIGHT

Not sure where to begin on the exhibit floor?
These must-see interactive and experiential booths are sure to be the highlight of your visit.

www.pdac.ca/convention/exhibits/exhibitor-spotlight

Cascade Copper Corp.

📍 Investors Exchange, Booth 2805

Cascade Copper Corp is a Canadian-based, copper-focused explorer currently with projects in British Columbia and Ontario. Their booth will showcase the company's copper projects with 3D images compiled from current and historic information, rock samples collected from the recent exploration season, and a geologist to discuss results from the field. For each project the company has incorporated all information into a database that can be queried and visualized for exploration targeting.

Elemission Inc.

📍 Trade Show, Booth 950

Frontier-breaking technology: Step into the future with cutting-edge ECORE LIBS core scanner powered by AI. The fastest LIBS instruments available on the market, providing automated mineralogy and chemical assays, directly on raw samples in real time. ECORE is empowering geologists with unparalleled efficiency and precision to enhance the accuracy of their geological interpretations throughout the mining cycle: exploration, production and remediation.

GeologicAI

📍 Trade Show, Booth 552

GeologicAI brings together high-end robotics, state-of-the-art sensors, artificial intelligence, machine vision, and proprietary

software to provide geologists with cutting-edge technology that allows them to understand and interpret their resource like never before. They will also showcase hardware and software solutions alongside the power of advanced modeling tools. Come see in person how they bring the dream of "scanning to mine planning" to life.

Japan Gold Corp.

📍 Investors Exchange, Booth 2732

Drilling at the Mizobe Project is expanding the discovery of gold mineralization not previously recognized in Japan. Assay results will be announced in advance of the Convention and this booth will showcase core from the drill program completed with their Barrick Alliance partners. They will have three exploration geologists in the booth to discuss this remarkable discovery.

LithologIQ

📍 Trade Show North, Booth 6528N

LithologIQ unveils a breakthrough core logging solution, transforming geologists' access to accurate mineralogical data. Join them for an exclusive live presentation of their new core scanner, meticulously designed for high throughput and workflow-friendly operation. Visitors are invited to talk and learn about how this can accelerate and lower the cost of their current exploration and production tasks while extracting the most value from their drill cores. This compact mobile laboratory can be transported directly to the mine site and will acquire high resolution mineralogical data on drill core boxes in one minute with same-day data delivery, eliminating guesswork during core logging activities.

Platinum Diamond Drilling Inc.

📍 Trade Show North, Booth 7316N

Platinum Diamond Drilling is an owner-operated business that provides quality and personal service

to the mineral exploration drilling industry. Platinum was established in 2011 and is an Indigenous-owned company that is based in Manitoba and operates throughout Canada, from Québec to the Yukon. They specialize in heli-portable diamond drilling, skid-mounted programs, and self-propelled track mounted rigs. At the core of their business lies the belief that customer satisfaction and the development of strong relationships are founded on integrity, trust and respect for client project objectives. That belief is underscored by their team and equipment.

Ronacher McKenzie Geoscience Inc.

📍 Trade Show North, Booth 6624N

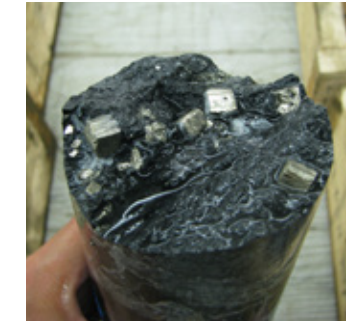

Headquartered in Canada and working globally, RMG is a women-owned and led company committed to exploring intelligently. With its team of senior geologists and geophysicists, RMG will showcase the importance of integrating all forms of geoscientific data to target effectively and accelerate discovery. Given the planet's pressing need to secure resources to support the future, combined with declining discovery rates, accelerating discovery through intelligent exploration is crucial.

SFC Energy

📍 Trade Show North, Booth 6103N

SFC Energy is a leading provider of hydrogen and methanol fuel cells for stationary and mobile hybrid power solutions. Their EFOY ProSolutions are ideal for mining applications, and are autonomous, low maintenance, and adapted for harsh environments. Visitors can stop by to discuss how their cutting-edge EFOY Pro Energy solutions seamlessly align with the demands of the mining industry. Their booth will feature a live EFOY fuel cell demo, powering various items for a firsthand technology experience.

Spanish Mountain Gold Ltd.

📍 Investors Exchange, Booth 3224

Spanish Mountain Gold is advancing its multi-million ounce gold project to be the next gold mine in the Cariboo Gold Corridor of British Columbia. They are striving to be a leader in community and

indigenous relations and will add to this leadership position by leveraging technology and innovation to build the 'greenest' gold mine in Canada. The new mine vision will reset the bar for lowering open pit gold mining carbon intensity and greenhouse gas emissions while contributing to the circular economies of the region.

Star Diamond Corporation

📍 Investors Exchange, Booth 2550

On Monday, March 4, and Tuesday, March 5, Star Diamond will exhibit a stunning display of high-quality diamonds that have been recovered from the Fort à la Corne Diamond District in central Saskatchewan. These stones will range from rough uncut diamonds through polished stones to finished jewelry product. They have recovered more than 160,000 individual diamonds to date from the project and this is a great opportunity to see some of these attractive Saskatchewan diamonds up close.

Critical Minerals for a Low-Carbon Future

We're a leading Canadian critical minerals producer, committed to responsibly providing materials essential for building a better future for everyone.
